OPINION

Pursuant to 42 U.S.C. § 1983, plaintiff, a state inmate, filed this lawsuit contending that he received constitutionally inadequate medical care for a number of serious medical needs. This lawsuit is now before the court on the recommendation of the United States Magistrate Judge that defendants' motions to dismiss and for summary judgment be granted. Also before the court are plaintiff's objections to the recommendation. After an independent and de novo review of the record, the court concludes that plaintiff's objections should be overruled and the magistrate judge's recommendation adopted.

An appropriate judgment will be entered.

DONE, this the 29th day of July, 2022.

UNITED STATES DISTRICT JUDGE
